20 Steps to a successful Website

Information:	
Date	Mondays & Wednesdays October 13, 15, 20, 22, 29
Time	18:00 – 21:30
Participation Fee	ANG. 175
Location	Kas di Empresario Mortiersweg 5 Amerikanenkamp
Contact	Stimul-IT T: 738 6299 F: 738 6298 info@stimul-it.com
Trainer	Rianne Hellings, Kuki & Ko
Language	Instruction: Papiamentu Course Material: Dutch
Prerequisite	None
Description:	
<p>Based on the material of the Dutch “Syntens” organization for small businesses, this training gives you an insight in the do’s and don’ts for website development.</p> <p>The training will help you answer questions such as:</p> <ul style="list-style-type: none"> - Do I need a website? - What should be on my website – and what should I avoid? - What kind of websites are there – and which is best for my organization? - What is a “good” website? - How can I find the right professional to help me with my website? - Can I do the maintenance of the website myself? - And much more... <p>At completion of the training you will receive a certificate of participation. Participants who have completed the 20 steps, can apply for funding through the “Webstart” fund.</p>	
Remarks:	
<p>This training will not teach you how to actually design a website, but it will introduce you to the different levels of web design as well as what to look for when selecting a web designer.</p>
